

# THE BUSH AWARD

This year we will be honoring another person for their outstanding contributions to the Conservative Party and/or service to our local community.

This award is given annually in the memory of Sanford and Marie Bush. We have established a committee that has accepted names of worthy candidates, and have had the difficult task of choosing the recipient of what is a prestigious award.

## Past Winners

|                            |                               |
